6.50-16 Solid Tires - 47.5 in. (1461 mm)

C - 54 in. Bucket Width - 55.0 in. (1398 mm)
62 in. Bucket Width - 62.0 in. (1575 mm)

The Attractively Priced Bobcat 753 Skid-Steer Loader

The 753 is a smart way to move into the popular G-Series Bobcat line of skid-steer loaders. The machine offers top value for your money. It has a turning radius of 6 feet and a rated operating capacity of 1300 pounds along with features such as heavy-duty drive chains that never need adjustment, removable axle hubs for quick, easy servicing and a dual-path cooling system that cools with debris-free air. The 753 also works with all the same attachments as the other 700 G-Series models, and sells for a very attractive price.

The Multi-Purpose Bobcat 753 Skid-Steer Loader

A hard-working skid-steer loader, with lots of maneuverability and great all-around performance and productivity. The 753 is loaded with time-saving, money-saving features. Here are just a few:

- Great balance of power and maneuverability.
- Choice of seven bucket styles and more than 30 other attachments.
- Bobcat Interlock Control System (BICS)™ is standard.
- Operator friendly cab.

Greater Comfort

The new cab is designed with the operator in mind, for optimum comfort and functionality. And with its wider opening, it's easy to enter and exit.

The new seat bar pivots from the rear, providing secondary restraint protection as well as a comfortable armrest for operators of all sizes. Plus, the new worklight design doubles the amount of illumination to the work area for better operation in low light.

The 753 G-Series also features a new, easy-to-read, highly functional instrument panel, along with a number of improved comfort options.

1300 LB.

*Rated Operating Capacity
1400 lb. with optional counterweight kit*

109.1 IN.

Lift Height

43.5 HP

Liquid-Cooled Diesel Engine

Optional G-Series Deluxe Instrumentation Package includes:

- Multi-language capability
- System diagnostic capability
- All gauges read in metric or English units
- Keyless start security
- Job clock
- Real-time clock
- Help screens

NOTE — Where applicable, dimensions are in accordance with Society of Automotive Engineers (SAE) and ISO standards. Specifications and design are subject to change without notice. Pictures of Bobcat loaders may show other than standard equipment. All dimensions are given for loader equipped with standard tires. All dimensions are shown in inches. Respective metric dimensions are enclosed by parentheses. Bobcat Company complies with the requirements of ISO 9001 as registered with BSI.

¹ Operating capacity rated with standard digging bucket according to SAE standard J818 - OPERATING CAPACITY TO EQUAL NO MORE THAN ONE-HALF THE TIPPING LOAD.

² Bucket positioning helps operator keep the same tilt of the load during lifting.

³ Includes Lexan front door, top and rear windows.

⁴ Special application kit (see #3) must be used.
