ALPHABETICAL INDEX

The complete alphabetical index appears at the beginning of this publication. It is used to locate major groups, assemblies and components.

NUMERICAL INDEX

The numerical index of this publication follows the Alphabetical Index at the beginning of the publication and indicates at which grid location and page number a part number appears.

ILLUSTRATIONS

All illustrations are located on the left hand page with the text on the right. Except for some common hardware, all parts are identified with an item number which corresponds to the item column on the text page. This is followed by the parts number, quantity and description.

HARDWARE

Common hardware not identified such as bolts, nuts, cotter pins and lube fittings, are listed indented in the text beneath the item to which they attach or fit. Common hardware listed indented beneath an item is NOT included unless specified. Example: (Incl. BOLT, LOCKWASHER AND NUT).

ORDERING PARTS

Be sure to refer to both the text and the illustration to assure ordering the correct part.

RECOMMENDED DEALER STOCK

A recommended dealer stock listing appears at the end of this publication.
