This diagram shows an exploded view of a mechanical assembly. The main component is a rectangular block (5) with a vertical post (1) attached to its bottom. Two circular openings on the front face of the block are labeled 3 and 4. A hexagonal nut (6) is shown to the right of the block. Two circular callouts provide detailed views of specific parts: the top callout shows a hexagonal nut (7) with a threaded section (2) that fits into the top of the block; the bottom callout shows a hexagonal nut (3) with a threaded section (4) that fits into the bottom of the post.
